

What is an Amazing Love Event?

His Wonderful Works was founded in 2008 with the mission to bring hope, healing and freedom in Christ to individuals, churches and ministries in the areas of family, relationships and sexuality.

Amazing Love Event ("ALE") is the flagship event of His Wonderful Works designed to help equip the church to walk in grace and truth without compromise in the areas of sexual and relational brokenness; embracing the tension of discipleship in the area of sexuality.

We're not just an event, we will come alongside to equip the church for discipleship.

We have designed our events to include:

- pre-event leadership connection
- worship
- testimonies
- teaching
- altar prayer
- resources
- commitment to provide ongoing follow-up unique to your local church for sustainability.

What your church will gain from holding an ALE:

- help create a safe place to talk about sexuality
- promote healing from sexual and relational brokenness.
- walking in the tension of grace and truth
- fosters compassion / repentance / redemption
- hope, healing, freedom,
- holding to the integrity of the scriptures
- compassion without compromise

Pursuit of Wholeness

Heal the broken and you change cities. Transformation is a lifelong process. The more healed a person is, the deeper their relationship with God and the healthier their relationships are. We don't shy away from God continuing to do a deeper work in our hearts - we welcome it!
